**PREAMBLE:**

State Government has announced Gujarat Waste to Energy policy-2016 vide G.R.dt.28/03/2016 referred to above to utilize MSW as renewable resource for generation of electricity and to promote disposal of MSW in more environment friendly manner. The same has been amended vide this department's G.R. No. REN/11/2015/1343/B1 dt. 01/05/2018. It was under consideration of the Government to decide modalities for payment of differential amount to be paid through GUVNL in terms of GR dt.01/05/2018.

**RESOLUTION :-**

Accordingly, after due consideration, the State Government is pleased to state that for payment of 'differential amount' between Rs.6.31/unit and discovered bid tariff in respect of waste to energy projects, following modalities are hereby decided;

- (1)The developer/generator will raise the monthly invoice as per terms and conditions of PPA with GUVNL/DisCom along with the copy of State Energy Account of SLDC certifying the energy supplied, within 7 days after the month is over.

- (2) Sufficient grant towards differential amount shall be made available to GUVNL by CCD in quarterly advance so that the question does not arise about late payment. This payment (differential amount) will be for the difference between discovered bid tariff and Rs.6.31 per unit in respect of units supplied to the GUVNL.
- (3) GUVNL will pay to the W to E project developers the cost of energy supplied as per the tariff agreed in PPA. It will also pay above differential amount as decided vide G.R. No. REN/11/2015/1343/B1 dt.01/05/2018 from the grant made available to it by CCD as above.
- (4) The payment of Rs.6.31/- and differential amount to be paid together will be made within 30 days of the receipt of monthly invoice by GUVNL as prescribed in the W to E policy.
- (5) Payment towards differential amount will be the responsibility of the State Government.
- (6) Every quarter, GUVNL will send payment/generation status report to the Climate Change Department & EPD in respect of units supplied to the Grid and amount paid to the developer/generator.
- (7) If in any MSW project, negative differential amount is discovered in the bid process, GUVNL will pay only the quoted tariff to the developer without any differential amount.
- (8) In case any ULB or in case UDD agrees to pay the differential amount then they would do so in place of CCD.

The expenditure towards this shall be debited to and met from the grant available in the budget of CCD every year, under following Budget Head;

Demand No.	:	108
Major Head	:	3435- Ecology and Environment
Sub Major Head	:	03- Environmental Research & Ecological
Minor Head	:	102- Environmental Planning and Co-ordination

Sub Head	: 02- (CLC-2) Climate Change Impact Studies and Related Projects Trust Fund
