

Subsidy for LED Bulbs to the Domestic  
Consumers under "UJALA GUJARAT"

Government of Gujarat  
Energy and Petrochemicals Department  
G. R. No. SLR/11/2015/1273/B  
Sachivalaya, Gandhinagar

Dated:

24 JUN 2016

**READ :** G. R. EPD of even Number dated 23<sup>rd</sup> May, 2016.

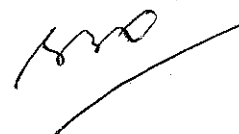

**RESOLUTION :-**

Vide Government Resolution of even number dated 23<sup>rd</sup> May, 2016; a scheme of subsidy has been announced by the Government for the benefit of domestic consumers for "Ujala Gujarat".

2. It has been further decided by the Government that the cost of awareness i.e. expenditure towards campaign, advertisements, awareness measures etc. for "Ujala Gujarat" should be taken up by the Government and will be borne by the Government. Accordingly, Government is pleased to direct that the price of LED Bulb in all categories; for both upfront payment as well On-Bill Financing Option (OBFO) should be reduced by Rs. 10/-.

3. Accordingly, there will be reduction in price of the bulb as under:

Category of consumers	Present price Rs.	New Price Rs.
<b>Domestic :</b>		
-Upfront	80	70
-OBFO	85	75
<b>Other than Domestic :</b>		
-Upfront	90	80
-OBFO	95	85

4. The actual effect for such reduction may be given w.e.f. 27-06-2016. However, the benefit of this reduction should also be passed on to the domestic and other consumers who have purchased LED Bulbs before 27-06-2016. Accordingly, in case of purchase by OBFO option, the amount of installments should be re-worked out and re-fixed by the Distribution Companies and lesser amount should be recovered from the consumers considering price reduction of Rs. 10/- per bulb. In case of purchase by upfront payment, Rs. 10/ per bulb may be adjusted by the DisComs in the next energy bill of the respective consumer. This benefit of price reduction will be available only to the **Consumers of the respective DisComs** and not to other purchasers (eg traders etc)

5. Earlier, in costing of the price of the bulb, an amount of Rs. 11.61 per bulb has been considered towards cost of awareness. Accordingly, Rs. 1.61 per bulb should be adjusted while making payment to EESL regarding subsidy to the domestic consumers. GUVNL is directed to ensure that Rs. 1.61 per bulb is kept aside and utilized for payment of bills towards expenditure of campaign, advertisements etc which will be sent to the GUVNL by the Government .

6. GUVNL is also directed to ensure that the entire cost of awareness is taken up by the Government i.e. all the expenditure is to be incurred by the Government. Therefore, from the beginning of the scheme of the " Ujala Gujarat" in Gujarat, they should reduce and adjust the amount of Rs. 11.61 per bulb from the payment to be made to the EESL towards subsidy to be paid for domestic consumers.

7. The expenditure towards cost of awareness as well as towards Subsidy to be given to the domestic consumers as directed vide GR of even no. dt.23-5-2016 Shall be debited to, and met from the grants available under the following budget head for the year 2016-17:-

Major Head: 2801-Power

PWR-16-Assistance for Energy Conservation

2801 80 800 16

This issues with the concurrence of the Finance Department dt .29-5-2016 on this department file of even number.

By order and in the name of the Governor of Gujarat.

**(Shobhana Desai)**
