

**Release of electric connection to  
Green House Project for Hi-Tech  
Farming in the agriculture land**

Government of Gujarat  
Energy & Petrochemicals Department  
**Resolution No.UGV-102011-70-K-I**  
Sachivalaya, Gandhinagar

Dated the

**26 APR 2012**

- Read: - (1) Letter No.GUV-Tech-SPT-Green House-1551 dated 16-08-2011  
from Gujarat Urja Vikas Nigam Limited, Vadodara  
(2) A note dated 29/12/2010 from Principal Secretary, Agriculture &  
Co-operation Department

**PREAMBLE:**

The State Government has implemented a scheme to give assistance for establishment of High tech Green House in the State vide Agriculture and Co-Operation Department's GR No. BGT(અગ્રી) -302008-323-K-8 dated 22-10-2008 to encourage the Horticulture activities as per the terms and conditions enumerated in the above order

The beneficiaries are facing difficulties in availing Power Supply for Green House. Therefore, Agriculture and Co-Operation Department had proposed to provide electric connections to such Green House / Precision Farming Units. Further Bhartiya Kisan Sangh has also represented to release connection to the Green House Project for Hi-tech farming in the Agriculture land.

The issue regarding release of electric connection to Green House Project for Hi-Tech farming in the agriculture land was under consideration of the State Government.

**RESOLUTION:**

After careful consideration the State Government has decided to implement the scheme of release of electric connection to Green House Project for Hi-Tech farming in the agriculture land with the following terms and conditions:

1. The Scheme shall be applicable in all the Talukas of the State.
2. The applicant shall have to submit the copy of Green House Registration obtained from the competent authority of concerned office of Agriculture Department at District level along with Power Supply application.
3. Area of High-tech farming shall be certified by competent authority of Agriculture Department at District level.

4. Permission for a new well in the Dark Zone Areas shall be given as per the terms and conditions stipulated in GR No. GWR-20032-14-J-I dated 27-03-2012 issued by Narmada Water Supply and Kalpasar Department.
5. If any well/ bore well is existing in Hi-tech farming area, connection under the scheme shall not be allowed. Separate connection under Industrial Tariff shall not be entertained in Green House Area where Power Supply is available from Agriculture feeder, unless applicant surrenders existing agriculture connection.
6. In case where Green House is in the vicinity of the existing Agriculture connection, there should not be any electrical connectivity between Green House and adjacent existing well.
7. Industrial category connection shall be released to Green House Project considering as it is Agro- Industrial Project.
8. The HTP-I or LTP-I Tariff shall be applicable as per contract Load.
9. The connection shall be given from nearby Jyoti Gram Yojana feeder / Industrial feeder / Separate feeder so as to cater 24 hours III Phase Power Supply.
10. The entire expenditure towards erection of HT and LT Line/ Test Certificate and Service Line charges shall be borne by the applicant.
11. The connection shall be released under HVDS (Kisan Heet Urja Shakti Yojana).
12. Connection released for Green House Project shall not be used for any other purpose.
13. Single point supply shall be given for MIS and Fogger System, RO Plant, Cold Storage and sump etc. for Green House Project.
14. Separate sump for storing water for Green House shall be constructed within Green House boundary only.
15. Green House boundary shall be clearly defined and demarked. Power supply shall be utilized only with defined boundary of Green House.
16. For Billing purpose, Automated Metering System (Remote Metering) shall be provided.
17. No change of purpose shall be allowed after disconnection.

All the above terms and conditions are to be adhered strictly. The concerned officer shall be held responsible for any lapse in the above conditions.

By order and in the name of Governor of Gujarat,

( H .F. Gandharva )  
Deputy Secretary to Government  
Energy & Petrochemicals Department
